Dear David,  
I hope that you are all right.  
I am coming back to you on the above application as the agent has agreed to a different design for the railings (please see attached drawings).  
Could you please confirm that you are now happy with the design and agree to withdraw your objection?  
Looking forward to hearing back from you.

Dear Geri

We now have no objection to the timber doors, but our objection to the design of the railings still stands.

Best wishes, David.
