Wansbeck Garden HOTEL

Welcome to the
Wansbeck Garden Hotel...
...a friendly overnight home
for visitors to
London

In this distinguished
setting the hotel
provides a friendly
overnight home for

visitors to London. The
34 bedrooms (including
some family rooms) are
comfortably furnished
and equipped
with colour TV
and tea and
coffee facilities. A
pleasant lounge
is the social
centre of the hotel
– rivalled on
warm days by
that rare feature,

an attractive walled
garden. As a prelude to
the day's activities a
generous breakfast is
served in the dining room.

High standards are
guaranteed because the
hotel is owned by the
neighbouring three-star
Bonnington in
Bloomsbury. Here you
will be a welcome guest
for an evening meal
taken either in the
sophisticated Waterfalls
Restaurant or the
informal bar buffet.
