2022/1601/P	Evelyn Summers	12/06/2022 18:50:49	OBJ	I object to this application. I regularly walk from Belsize Park up the terrace and have to manoeuvre around the tree, the bins and the bikes or walk on the road which is dangerous as bikes are using it all the time. There has to be a better place for the bins.....get them removed and reject this application.
