2022/2072/L	Sandra Verstraten	10/06/2022 13:51:13	OBJ	<p>Hi,</p> <p>My name is Sandra and I live at 24 Ivor street with my husband and two small children. I really am concerned about the balcony allowing the potential of people being able to look into my kids bedroom. I am also concerned about late night drinking and noise, and the potential to attract more antisocial behaviour to the area if there isn't police patrols or increased police presence. I don't know why you'd think it a good idea to locate an event space in a very residential part of Camden where most families have young children.</p> <p>I hope its not too late to reconsider these plans.</p> <p>best regards</p> <p>Sandra</p>
