2022/1856/P	Ian Lithman	15/06/2022 16:31:01	WREP	<p>I am a Resident Owner of the dwelling house and garage 5 Lakis Close NW3 1JX. The house 7 Lakis Close and its adjoining properties in Back Lane are the subject of the Application. The right of the house owners on the Lakis Close Estate over the Private Access Road are limited to ingress and egress to the owner's property and garage; not to parking or use in order to work on non Estate properties. The Service Road has one part, where it is by agreement possible for a guest to short term park one small car, provided it is without obstructing the garages; which has been commandeered over the last months by those working on No 5A Back Lane Estate regardless of objections. I was under the impression that the Planning Permission required the Builders use the Back Lane entrance or the opposite Back Lane parking space or Flask Walk. That should now be required and enforced by the Application.</p>
