Dear Patrick Marfleet,

 I am writing to you to log my objections to the proposed work at GOSH.

There has been a lack of proper consultation about this, and the proposed works, and the trucks and construction plan which will be involved, will bring much disruption and disturbance to residents.

It will also be devastating to local businesses. As a small business owner I rely on deliveries which will be very much hampered by these proposals. Also pleasant corner of Central London will become a lot less attractive to vital customers.

Yours sincerely,

Susannah Nwaka
