2021/5664/P	Janine	22/06/2022 12:42:28	OBJ	<p>I thoroughly object to this proposal for the disruption, noise and anti-social behaviour which will be generated by people drinking outside and having music playing til late, seven days a week. How do we rest work and sleep and enjoy our homes? Additionally we will have to deal with people exiting the building- screaming shouting, puking, causing disturbance and damaging personal and council property. This is what we have to deal with and it will be far worse if people are encouraged to drink and party in a residential area which is what this is.</p> <p>Just say no please.</p> <p>A permanent structure! A toilet on the roof! No thanks.</p>
