2022/0694/P	Justin Cole	22/06/2022 17:09:33	OBJ	<p>I am a Circuit Judge but write this objection entirely in a personal capacity as a freeholder of one of the Orestes Mews houses. It would be wrong however if I tried to conceal my knowledge of the law.</p> <p>Putting a gate in rear fence to allow access to the private road that is Orestes Mews NW6 1AP is unlawful , and would amount to a trespass.</p> <p>The road is co owned by the freeholders of Orestes Mews, and is not a public highway maintained by Camden. There may be an historic right of way to allow the carpet shop which backs onto the mews to accpet deliveries , essential to their survival as a business , but this is a world way to the creation of a new right of way for pedestrians from Mill Lane properties.</p> <p>Allowing such would be unlawful trespass, quite apart from planning issues within your discretion, and the 6 householders of Orestes Mews who are all extremely concerned about this would take immediate legal action against the local authority and the owner of the building without hesitation</p>
