2022/1715/P	KHALED AHMED	28/06/2022 16:07:20	APP	As a resident of ossulston street I object for having this marquee structure built as I have fears of it reducing the number of parking spaces on my street which is already constrained enough, this would be huge which huge inconvenience to me Unless I am provided reassurance that the number parking spaces in my area will not reduce once this structure is built.
