Notes

1. Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf. Where colours other than black or grey are used, the drawing must be plotted in colour.
2. For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, and confirmed by the Local Authority surveyors and agreed by the Design Team.
3. Unless otherwise indicated, all dimensions are in millimeters.
4. All information on this drawing is to be read in conjunction with the relevant Donald Insidirect Associates drawing and the relevant specification and standards issued by specialists.
5. In the event of any discrepancy, please contact us immediately.
6. This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
7. This drawing is not to be used for any other purpose without the written permission of Donald Insidirect Associates.
8. These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
9. Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
