2022/2190/L	Bloomsbury Association	30/06/2022 11:37:44	SUPPRT	<p>The Bloomsbury Association support this application. The method statement accords with the cleaning process that has already been carried out on several adjoining buildings on the north side of Bedford Avenue.</p> <p>We suggest that consideration is given to applying a solution to the cleaned horizontal stonework to discourage further moss growth.</p>
