Dear Sirs,

**42 ELSWORTHY ROAD, NW3 3DL – SUBTERRANEAN DEVELOPMENT**

**AXIOM STRUCTURES, STRUCTURAL ENGINEERS = CENG MISTRUCTE =  
INVOLVEMENT DURING COURSE OF DESIGN AND CONSTRUCTION WORKS**

I am writing to confirm that we have a continuing involvement with the project from scheme design stag through to completion of the works.

We have carried out the design of the detail structural elements - permanent works and we are scheduled to visit the site and inspect the works to review that they are constructed in accordance with our structural proposals. We are also appointed to inspect and comment on temporary works proposals submitted by the Contractor during the execution of the works.

We have an ongoing appointment with the client, to monitor works and we will be making regular visits to the site at critical stages of construction.

We trust that the above clarifies the matter, please do not hesitate to contact us if you require further information.

Yours Sincerely

**Alan Bowling** - Project Director
