2022/2713/T	Mojgan Green	06/07/2022 09:58:32	COMMNT	HCAAC strongly objects to the felling and removal of the following rear garden trees in this application. The reason given on the application that the felling of nearly 8-9 mature trees and shrubs have been given as relandscaping. These fellings and removal for redesign of a landscaping scheme will harm the conservation area irreparably. Please refuse this application.
