Dear Sir/Madam

DECISION

Town and Country Planning Acts 1990 (as amended)
Town and Country Planning (Tree Preservation Order) Regulations 1999
GRANT CONSENT FOR WORKS TO TREE/S UNDER A TREE PRESERVATION ORDER

Address:

8 Doughty Street
London
WC1N 2PL

Proposal:

REAR GARDEN: 1 x London Plane (T1) - Fell to ground level.
1 x London Plane (T2) - Fell to ground level.

The Council has considered your application dated 02 February 2022 and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 This decision is valid for 2 years from the date of this decision or until the work is completed, whichever is the sooner.

Reason: To allow the Local planning authority to monitor the completion and standards of the work.

- 2 All work shall be carried out in accordance with the relevant recommendations of British Standard 3998: 2010. (Recommendation for Tree Work)

Reason: To ensure the preservation of the amenity value and health of the tree(s).

- 3 Between November and March following the removal of the trees, two London Plane (*Platanus x acerifolia*) trees with a stem circumference of 14-16cm at 1m above the top of the root ball shall be planted in the rear garden of the property no less than 2 metres from any above ground structure and no less than two metres between each tree. The trees shall be planted and maintained in accordance with the standard set out in BS8545:2014.

Reason: In order to comply with the provisions of Section 206 of the Town and Country Planning Act 1990 (as amended).

Informative(s):

- 1 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 3900 or email enquiries@naturalengland.org.uk.
- 2 This letter in no way prejudices the rights of the owner(s) of the tree(s) in question, whose consent should be obtained prior to the implementation of any works.
- 3 It is recommended that a full investigation into the effects of the approved works on nearby structures be undertaken prior to the removal of the trees.

If you are unhappy with any conditions attached to this consent you may appeal within 28 days of the date of this notice by writing to The Environment Team, Room 4/04, Kite Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

Yours faithfully

Daniel Pope
Chief Planning Officer

It is important to us to find out what our customers think about the service we provide. To help us in this respect, we would be very grateful if you could take a few moments to complete our online survey at the following website address: www.camden.gov.uk/dmfeedback. We will use the information you give us to help improve our services.
