Dear Planners and Tree Officers,

2022/2638/T. 11 Laurier Road

No reason is given to fell either the Robinia (False Acacia) or Bay trees. Robinias are fast growing trees that need much maintenance and pruning. If you do decide to fell it, could it be replaced by a slow growing native tree? I prefer that the Bay is also pruned and maintained, rather than felled.

Thank you,
Eileen Willmott
