Comments:

This form should only be used for its original purpose. Castle Savings Ltd does not accept any responsibility for this claim if supplied to any other party, other than the original claimant.

All enquiries and levels should be checked or kept to design and construction.

Drawings (where applicable) have been visually inspected from the surface and the information contained therein is deemed to be accurate. The undersigned and the undersigned's advisers should be retained to determine appropriate only. Some services may have been omitted due to the time delay or due to the site being overrun with vegetation.

The information (where applicable) has been derived from ground level and therefore should be treated as approximate only. A claim that a time stamp should be carried out.

Other remarks (where applicable) is included only.

DO NOT SCALE
