Dear Sir Madam,

My name is Joir Benedeti and [REDACTED] I am writing to you regarding the new planning application by Abandom Ship on 63 Neal Street Wc2h 9pj has put on. This business has put an application for a Display Neon lettering to the fascia o the building. And I am writing to object this application. The neon display they HAVE already put on is in a bright red colour, which makes the street of Neal Street and our [REDACTED] extremely bright red at the night. I don't think this bright red neon display is appropriate for this area, which is a conservation area. Our bedrooms window faces the street, and even though with curtain, still makes inside the bedroom red colour. I hope you take this in consideration and looking forward to hear from you.

Joir Benedeti
