Hello there,

[REDACTED]

[REDACTED] He has asked me to write to you on his behalf re application number 2022/1863/P.

My father would like to object to this application. Avenue road is one of London's great boulevards. Its history is routed in grand detached villa homes. There are plenty of roads in London that are know for terraced housing, but Avenue road, is not one of those roads. This application erodes the history of Avenue road and its unique prestigious place in London. The existing home on this location was a single family home. An application for a single family home or even two homes on this site would be in keeping with the street. But 12 four bed terraced homes is not appropriate for this location.

Please can you email me to confirm that this objection has been registered.

Many thanks,
Serena Freeman on behalf of Meir Elias
