Drawing Nos: Site Location Plan, Block Plan, 211200299TGOS1 02/03/2022. Fire Safety statement 04/03/2022 (Green Retreats Ltd). Design and Access statement 04/03/2022 (Green Retreats Ltd). Heritage statement 04/03/2022 (Green Retreats Ltd). External materials 04/03/2022 (Green Retreats Ltd). Arboricultural report 28/04/2022 (Andrew Day Arboricultural Consultancy).

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan, Block Plan, 211200299TGOS1 02/03/2022. Fire Safety statement 04/03/2022 (Green Retreats Ltd). Design and Access statement 04/03/2022 (Green Retreats Ltd). Heritage statement 04/03/2022 (Green Retreats Ltd). External materials 04/03/2022 (Green Retreats Ltd). Arboricultural report 28/04/2022 (Andrew Day Arboricultural Consultancy).

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 4 The garden room hereby approved shall only be used for purposes incidental to the residential (C3) use of the main property at Flat 2, 31 Priory Road and shall not be used as a separate residential dwelling or a business premises.

Reason: In order to protect the residential amenities of neighbouring occupiers and prevent substandard living accommodation and excessive on-street parking pressure in accordance with policies A1, H6 and T2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The proposed garden room is considered acceptable in terms of its design, scale and materials. The new building shall be of timber framed construction clad with oak panels and with a steel plate flat roof. It shall have a footprint of approximately 5.2m by 3.3m, with a maximum height of 2.5m, erected on existing hard standing and its overall size and height is considered subordinate and appropriate for the rear garden setting. The existing timber shed shall be removed as part of the works.

The scheme is considered to be acceptable and would not affect the character of the rear garden nor would it be overly dominant or incongruous in this setting. Following development the host property would retain over 70% of the open rear garden space.

The development is not considered to present any harm to neighbouring amenity. A condition is imposed to require the outbuilding to only be used for purposes incidental to the use of the main property.

Council Conservation Officers were consulted on the proposal and raised no objections.

No objections were received prior to the determination of the application. The planning history of the site has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2021.
