GENERAL NOTES

2. Do not scale from this drawing.
3. All dimensions to be checked on site by the contractor and such dimensions to be his responsibility.
3. Report any drawing errors, omissions and discrepancies to the architect.
4. This document may be issued in an uncontrolled CAD format to enable others to use it as background information to make alterations and/or additions. In that instance the user must save the background as a PDF version. It is for those making such alterations and additions to ensure that they make use of current background information. Gibson Thornley Architects accepts no liability for any such alterations or additions to the background information or arising out of changes to background information which occur prior to alterations of addition being made.
