2022/2985/T	B A Abraham for the Belsize Society	24/07/2022 18:32:21	OBJ	For the Belsize Society: this is a tall, attractive silver birch that is visible from the street and contributes visually to the neighbourhood. It should be possible to find a remedy for the slight uplift to paving slabs within the garden, that does not require the felling of the tree.
