2022/3011/T	B A Abraham for the Belsize Society	24/07/2022 18:51:18	OBJ	For the Belsize Society: this is a tall, mature lime tree, adjacent to the street, and it makes a major contribution to the streetscape. Felling should be the last resort for such an important tree to the neighbourhood and, as the planning application puts forward 2 other options, one of the other options should be adopted instead. It appears that the tree has not been pollarded for some time so it is preferable that Option 3 - repollard to previous reduction points - is adopted before the more drastic reduction proposed by Option 2.
