Pleated blinds

## Blackout energy pleated blind

The unique design of these blinds provides up to 25% insulation all year round. Perfect for bedrooms that need blackout at night and extra insulation.

- Dual control bars allow you to adjust the blind from both the top and the bottom of the roof window, letting in exactly the right amount of light\*
- Available with white or brushed aluminium side channels – simply add WL to the end of your product code to order white side channels
- Available in manual, mains or solar powered operation

Quick and easy installation on VELUX roof windows.

OEKO-TEX® Standard 100 certified (1076-184 DTI) – contains no harmful substances.

Child-safe design eliminates dangling cords to improve safety.

Combine your VELUX electric products with our Intelligent Home Control solutions for multiple product operation, scheduling and automation.

Combine with an insect screen to keep insects from interrupting your sleep. See page 44
