2022/2680/P	Oliver Froment	25/07/2022 22:02:48	COMMNT	<p>The rebuilding of this house appears to respect the architecture of the previous house and in keeping with the character of the area.</p> <p>The proposed parking for two cars is however contrary to Camden Policy T2 that requires all new development to be car free. No cars should be therefore allowed in this planning application.</p>
