2022/2838/P	B. Bennett	28/07/2022 11:52:15	OBJ	<p>Dear Obote Hope</p> <p>I am writing to object to the installation of these two sheds. The sheds use up rare open garden space in the rear of this conservation area building. The construction of these covers over potential green areas and blocks light to surrounding gardens, is a loss to the environment for birds, wildlife and for future use by local residents and encourages water run off and flooding. There is already a major problem in this area with overdevelopment and intensive building over in gardens.</p>
