2022/2236/P	Johanna Cronin	01/08/2022 10:29:45	OBJ	As a resident of York Way I object to this application on the basis that there are plenty of empty flats in the area but very few local amenities. This take-away business benefits many in the local community, whereas a new 1-bedroom flat would benefit 1 to 2 people at most. This change of use will result in a long-standing small business being evicted have no benefit to the community.
