Notification of intended tree works (conservation area)  
30 Daleham Gardens (rear garden)

We wish to carry out the following works to the trees in our garden shown on the attached plan:-

pear: remove dead branches, cut back branches overhanging neighbouring land.

limes (1) & (2): cut back branches overhanging neighbouring land, reduce to previous height (2-3 metres approx.)

leylandii (1) & (2): remove dead branches, cut back branches overhanging neighbouring land, reduce to previous height (approx. (T2) 1-2 m., (T2) 5-6 m)

holly: reduce height approx.1-2 m.

cypress (1) & (2): reduce height approx.1-2 metre

Yours sincerely,

Christopher and Jan Balogh
