2022/2230/P	Andrew Hurwitz	04/08/2022 18:36:06	SUPPRT	<p>I would like to continue to show my support for the proposed development. I am very much in favour of allowing families to remain within our local area by allowing the extension of existing homes/creation of family sized homes. ?I believe that this development has gone about doing this in the correct way with a very thoughtful and complimentary design with green roofs. Extra space allows families to continue growing in a place that they;ve already grown to love; this must be supported. ?</p> <p>In light of the above, I therefore offer my full support for these proposals</p> <p>Kind regards, Andrew Hurwitz</p> <p>188 Regents Park Road NW1 8XP</p>
