SITE VISIT BY:	CC	DATE:	29 April 2022
REPORT BY:	CC	DATE:	03 May 2022
ADDRESS OF SITE:	MEWS HOUSE, PART OF 12 GLOUCESTER GATE. LONDON NW1 4HG		

Introduction & Progress

A site visit was made by Techniker Consulting Engineers to carry out a photographic survey of Gloucester Lodge Mews looking specifically at the East façade that is to be retained. The purpose of the survey was to record the condition of the wall prior to the works. Conditions were clear and calm.

A follow-up survey will be carried out on completion of the works.

Photographs

The following pages contain photographs with location references. The plan at the end of the report (drawing 2104287-1008) shows the locations and directions in which the photographs were taken.

Where defects were observed they have been indicated on the photographs and are noted below.

Observations

Photos 9, 10 & 11 show a horizontal crack in each side of a section of wall supporting a beam.
