Dear Sir / Madam,

**Acknowledgement of Receipt of Form 6: CIL Commencement Notice**

We confirm that we have received a Commencement Notice for the following CIL liable development:  
2020/0441/P

Variation of condition 3 (approved drawings) of planning permission 2016/4549/P dated 22/12/2016 (as amended by 2017/4111/P partly allowed at appeal 10/06/2019) (for erection of single storey extension connecting 12 Gloucester Gate to mews building and associated alterations), namely to allow lightwell (rather than rooflight) to courtyard.

We have noted that the anticipated development commencement date is 12 May 2022. If the date of commencement changes, please notify us by submitting another Form 6: Commencement Notice. Any changes must be notified *before* the development is commenced.

Relief has been granted and is subject to clawback in line with the relevant regulations.

We will issue a Demand Notice for payment of the Levy on the date of expected commencement.

Yours faithfully,

Community Infrastructure Levy Team
