2022/2265/P	Cllr Stephen Stark	08/08/2022 18:18:34	OBJ	<p>The houses on Perrins Lane are wonderful retaining their charm and heritage. The ones numbered 14-26 are Grade II listed. I am concerned that the proposed work to the above Grade II listed property will be negatively affected and substantial harm will be caused to the heritage of the property. The proposal includes raising the Grade II listed party garden wall between 18 and 16 Perrins Lane to over double its height. The work will mean changes, damage and possible demolition of the grade II listed wall. This should not be permitted. It will create a dungeon effect to the occupants living at 16 Perrins Lane. This would be intolerable to the residents at 16 Perrins Lane and should not be allowed.</p> <p>I am further concerned that changes to the windows and doors may also effect the heritage of the property.</p> <p>I look forward to hearing from you in respect of this matter.</p> <p>Cllr Stephen Stark</p>
