2022/3382/T	Susanne Griffin	10/08/2022 10:16:45	OBJ	<p>Il don't understand the reason for this application. Why does this tree need to be felled. It looks beautiful and is visible from the street in a conservation area. Why can it not be sensitively pruned and retained? It looks like it provides potential safe roosting for birds also. I would like an answer from the applicant about this plan for felling, please.</p>
