Temporary installation of a removable structure comprised of usable stepped and seated areas and flexible space beneath the steps.
2022/3055/L & 2022/2923/P
University Of London Senate House Car Park Malet Street London Camden WC1E 7HU

Dear Laura,

We do not support the application due to partially blocking views of Senate House. However, given that the proposal is temporary we will not object on the basis that any grant of permission only allows the structure for a 1-2 year period requiring that it is removed after this time.

Best wishes,

Sam Reed,
On behalf of the Bloomsbury CAAC.
