

Job Profile

Job Title: Project Manager - FRA
Job Grade: Level 5 Zone 1
Salary Range: £47,575 - £55,188

About Camden

'Camden is building somewhere everyone can thrive, by making our borough the best place to live, work, study and visit. Because, we're not just home to UK's fast-growing economy. We're home to the most important conversations happening today. And we're making radical social change a reality, so that nobody gets left behind. Here's where you can help decide a better future for us all.

The Capital Works Projects team are a dedicated division within Property Management, set up, to deliver all strategic, multi discipline, capital project works across the Camden property portfolio.

About the role

Working closely with the Programme Manager, the project manager will deliver nominated works of vary scope and technically, to the value of approximately £4m - £10m per annum. The expectation is that the role will mobilise and deliver the appropriate planned works projects, making sure consultation, engagement, quality, relevant legislative compliance and commercial management processes are practically adhered to and recorded. The post holder will also be responsible for health and safety matters associated with the project(s) and for the seamless handover to clients and internal asset management team.

Example outcomes or objectives that this role will deliver:

- Must plan, allocate, obtain, organise and review a project/ service's costs. Understanding the project requirements and always need and be able to deliver a seamless project delivery operation.
- Responsible for organising and motivating a project team, building and developing excellent professional relationships with management and the clients / end users.
- Developing and managing all project delivery business with project support services e.g. quantity surveyors, scoping surveyors and engagement leads
- Taking overall responsibility for the project delivery, delivering to agreed budgets relative to each project in conjunction with the commercial and finance support functions.
- Vetting and managing supply chain and appropriate direct labour force to deliver the required volume of work to meet budget.
- Compile monthly reports covering all aspects of projects and present reports at the management meetings
- Administer the contract performance measures in line with contract documentation and / or set performance measures for schemes in conjunction with the programme manager
- Reviewing and continually improving project and safety performance.

- Managing project risks to deliver year on year cost, time and quality predictability.
- Ensuring processes are implemented to maintain or improve financial targets on each project
- Identify opportunities that improve the value of projects solutions.
- Management of the interface with the internal business partners (e.g. commercial, Finance, HR) at the required level.
- Engender co-operative, outward looking project team behavioural standards. Ensuring all project personnel possess the necessary skills and have the appropriate training opportunities to carry out their job functions.
- Ensuring compliance with all aspects of Health & Safety legislation to protect the client and Council. Ensure projects are compliant with health and safety legislation and the Council's policies on asbestos, gas, electricity, CDM, water and fire safety
- Undertake site/project surveys and make pricing proposals (with the aid of specialists and estimators, as necessary)
- Appoint and manage suitable sub-contractors/internal resources to execute the works
- To maintain a resident and stakeholder focus, making sure engagement processes are adhered to. Provide active resident and stakeholder engagement throughout the works lifecycle and management of consultation processes where scope and costs vary during the delivery phase.
- Manage site logistics including site set-up arrangements /storage etc.
- Ensure that all contracts adhere to the Council's contractual provisions and escalate issues when necessary.
- Make sure statutory approvals such as Planning, and Building Control are secured as required
- To undertake other duties reasonably expected of the post.
- To attend evening and occasional weekend meetings and events.

About you

- Significant experience in construction project management and or project delivery.
- Knowledge of Health and Safety legislation, compliance and the implementation of CDM regulations
- Knowledge of leaseholder management, consultation and service charge arrangements
- Knowledge of procurement processes relevant to the delivery of construction activities and repairs and maintenance services
- Can demonstrate a commitment to service excellence and a track record in positive resident engagement
- Be familiar with the process of managing design and specialist team professionals.
- Implementation of project management and reporting processes.
- Has problem solving skills, can anticipate change and facilitate that change to meet the project requirements.
- PC literate with a good working knowledge of Microsoft Excel, Word, and Project.
- A strategic thinker - understands all legislative requirements and changes in guidance that may impact on the project delivery
- The successful candidate will have a client focussed, professional and polished approach.

- A self-motivated person who can achieve targets that remains cool under pressure.
- Team player able to demonstrate this through previous positions.
- Excellent communication and interpersonal skills.
- Experience of leading stakeholder management processes
- Experience of managing schemes with resident in occupation

Desirable:

- Membership of the Royal Institute of Chartered Surveyors, the Chartered Institute of Builders, Association of Project Managers, NEBOSH construction certificate

Work Environment:

- The post holder will work across the Council's offices at Holmes Road, 5 Pancras Square and Jamestown Road
- The post holder will be expected to visit construction sites and premises where they may be subject to noise and dirt and as necessary carry out inspections in line with the requirements of the post. This can involve being outside in all weathers.
- The post holder will routinely attend site at all stages of the project life-cycle and evening meetings as required

People Management Responsibilities:

The post holder will also work with consultant employers' agents and project personnel.

Relationships:

- The post holder will work closely with councillors, residents and key stakeholders such as school head teachers and building managers.
- Senior management within the Council
- Cabinet Member for Better Homes

Over to you

We're ready to welcome your ideas, your views, and your rebellious spirit. Help us redefine how we're supporting people, and we'll redefine what a career can be. If that sounds good to you, we'd love to talk

Is this role Politically Restricted?

Some posts at Camden are politically restricted, which means individuals holding these posts cannot have active political role. For a list of all politically restricted roles at Camden [click here](#).

Diversity & Inclusion

We want Camden Council to be a great place to work and to ensure that our communities are represented across our workforce. A vital part of this is ensuring we are a truly inclusive organisation that encourages diversity in all respects, including diversity of thinking. We particularly welcome applications

from Black, Asian and those of Other Ethnicities, LGBT+, disabled and neurodiverse communities to make a real difference to our residents so that equalities and justice remains at the heart of everything we do. Click [Diversity and Inclusion](#) for more information on our commitment.

Agile working

At Camden we view work as an activity, not a place. We focus on performance, not presenteeism. We create trusting relationships, we embrace innovation rather than bureaucracy and we value people. Collaboration is the Camden way, silo working isn't.

At Camden we are proud to be one of Hire Me My Way's inaugural campaign supporters. Hire Me My Way is a national campaign led by Timewise, designed to increase the volume of good quality jobs that can be worked flexibly in the UK (www.HireMeMyWay.org.uk). Hire Me My Way aims to treble the number of available good quality flexible jobs to 1 million by 2020.

Asking for Adjustments

Camden is committed to making our recruitment practices barrier-free and as accessible as possible for everyone. This includes making adjustments or changes for disabled people, neurodiverse people or people with long-term health conditions. If you would like us to do anything differently during the application, interview or assessment process, including providing information in an alternative format, please contact us on 020 7974 6655, at resourcing@camden.gov.uk or post to 5 Pancras Square, London, N1C 4AG,
