

Proposed North Elevation

**GENERAL**  
 Existing painted timber framed windows to the front (north) elevation of the 3-storey block (over the garages) are dilapidated with extensive decay to the primary frames and joints. These windows are to be carefully removed and replaced with new painted timber framed windows. The new windows are to be purpose made to match existing with regards frame sizes/profile. New windows to be double-glazed and painted gloss white to match original windows. No alterations are proposed to the main building.

No works are proposed to remaining elevations.

NOTES:

Do not scale this drawing, if in doubt contact Rennie & Partners.
