2022/1966/P	Belsize Society by Tom Symes	12/08/2022 16:10:44	OBJ	<p>The Belsize Society objects to this application for retrospective consent.</p> <p>Section 3 of the Draft Fitzjohns/Netherhall Conservation Area appraisal and management strategy includes 29 Maresfield Gardens in its list of buildings which make a positive contribution to the conservation area.</p> <p>Two photos of the second front door are shown in the Proposed 2 Entrance Door Section of Application 2022/1966/P.</p> <p>As this added second door is visible from the street, despite the unpruned hedging between it and the pavement, it impacts on the character and design of the conservation area. It changes the front elevation of the house, and sets a precedent for other owners and developers who may wish to make inappropriate and unacceptable changes in our conservation area.</p>
