Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:

**1 Villas On The Heath
Vale Of Health
London
NW3 1BA**

Proposal:

Replacement of all windows on the front elevation and 1 window on the northern elevation with single glazed units to match the original glazing pattern and replacement of all windows on the rear and outrigger elevations with slim lite double glazed units to match the original glazing pattern.

Drawing Nos: FF21005PL101 REV P02; FF21005PL001 REV P02; FF21005PL002 P02

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: FF21005PL101 REV P02; FF21005PL001 REV P02; FF21005PL002 P02

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission/consent-

The proposal is for the replacement of existing windows with Slim Lite Histoglass units to match the original glazing pattern. The windows on the front and northern elevation which face on to the street would be single glazed. The windows on the rear elevation and outrigger would be slim lite double glazing. The application property is grade II listed and located within Hampstead Conservation Area.

Many of the windows at the property have been altered overtime replacing both the frames and glazing or replacing just the glazing. A small number of original window which retain both the original frame and glass remain, including the ground floor window on the front elevation. It is considered that the original windows are in such a poor state of repair that it would not be possible to retain and refurbish them. As such the principle of replacing the windows is considered acceptable.

The windows are being restored to the original material and style and as such are acceptable. The use of single glazing on the street facing elevations ensures that the appearance of the listed building from the street and its symmetry with its adjoining pair at no. 2 is preserved. The windows to the rear would be double glazed, however the detail design of the windows with their slim profile are sufficient to ensure that the integrity of the listed building is preserved. It is considered that the proposal would preserve and enhance the special architectural or historic interest of the grade II listed building.

Special regard has been attached to the desirability of preserving the listed building, its setting and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

No objections have been received prior to making this decision. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policy D2 of the Camden Local Plan 2017 and policy DH2 of the Hampstead Neighbourhood Plan. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2021

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
