2022/2769/P	Philip Kemp	15/08/2022 12:39:46	COMMNT	<p>The proposed design for the extension strikes me as clumsy and ugly; as shown it bears no relationship whatsoever to the classic early 19th-century architecture of the house. Something far more visually harmonious is needed.</p> <p>The pergola looks innocuous enough.</p>
