Dear Ewan

The NNA would like to add a further comment to its submissions of 31 July.

2022/1965/P makes no mention of the new side door between Nos. 29 and 31. As shown in the photograph below, it is solid and high.

This is antithetical to the conservation area statement, which encourages the preservation of open views from the street into rear gardens.

As this may also be an enforcement matter I will forward this email to the enforcement team.

Kind regards

Jenny White
NNA Chair
