Dear Camden Planning, ( My first email was sent to [devcon@camden.gov.uk](mailto:devcon@camden.gov.uk) and it could not be delivered. I hope this email reaches you). Please note that I am the owner of the Sycamore tree at 55 Belsize Lane. The crown was raised and the canopy reduced a year ago, but now my neighbour wants to chop its branches by 4 meters back to the boundary. My view of it is that a reduction by 2 meters would run less risk of unbalancing the tree. With Kind Regards from Ernest Keeling.
