Details of the pre-application advice received

A previous application was made reference 2022/0318/P by the proposed leasee but it was refused. I was advised myself to make an application due to the following circumstances:

I purchased the laundrette in Feb 2007 and ran it successfully for a number of years. In the latter 5-6 years, business was very slow and turnover was vastly reduced. I believe this was in part due to residential landlords in the area installing washing facilities within their flats they were renting out. A number of the older generation departed the area which reduced the amount of custom.

In early 2020 the landlord installed a smoke alarm in the laundrette, controlled from within the flats above. Due to a possible faulty unit, the alarm kept on going off which resulted in the Fire Brigade being called on several occasions. On inspection by the Fire Brigade, on 21st Feb 2020, we were served with a compliance notice (2005 regulation) to install a 60-minute fire retardant ceiling. Around the same time, lockdown came into effect. By the end of May 2020, we proceeded to comply with the Brigade's notice. We had to remove the suspended ceiling and all the machines and install the new ceiling throughout the shop and rear of the premises.

We passed the Fire Brigade inspection but the shop was empty. The laundry moved 3 doors away to 196 Finchley Road and there was not enough business to reinstate the laundrette at 190 Finchley Road. Although the laundrette from 196 moved on to Frognal Parade, 100 metres approximately away, the shop has been vacant and empty ever since. The empty shop at 190 Finchley Road, has been with agents since July 2020 approximately with a view to assign the lease. All the applicants who have viewed the shop, their interest was in operating a food preparation/takeaway facility which the landlord does not permit. The only prospective applicant who thought of starting a laundrette but when he realised the closeness of the other laundrette on the same road, decided against it. Other prospective applicants have included a retail shop, Scuba diving equipment, DIY shop, Doors and carpets, and a dance studio.

I hope that this short history will help in the Council's decision for change of use.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
