The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: FIN\_P\_70 rev P02, FIN\_P\_90 rev P03, FIN\_P\_100 rev P05, FIN\_P\_110 rev P03, FIN\_P\_120 rev P03, FIN\_P\_130 rev P03, FIN\_P\_140 rev P03, FIN\_P\_150 rev P02, FIN\_P\_200 rev P02, FIN\_P\_210 rev P02, FIN\_P\_220 rev P02, FIN\_P\_230 rev P02, FIN\_P\_300 rev P02, FIN\_P\_310 rev P02.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

a) Details including plans, coloured elevations and sections at 1:20 of all new windows (including jambs, head and cill), external doors, and balustrades;

b) Plan, coloured elevation and section drawings, including fascia, cornice, pilasters and glazing panels of the new shopfronts at a scale of 1:20;

c) Manufacturer's specification details of all facing materials (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site) or via high-resolution email photographs if site viewing is not possible). Samples of materials to be provided at a suitable size (eg. 1x1m);

d) Details including plans, coloured elevations and sections at 1:20 of new roof level decorative gables;

e) Details including plans, coloured elevations and sections at 1:20 of new dormer windows;

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the Camden Local Plan 2017 and policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 4 The reinstatement of the decorative gables at roof level shall be completed prior to occupation of the development hereby approved.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the Camden Local Plan 2017 and policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 5 No lights, meter boxes, flues, vents or pipes, and no telecommunications equipment, alarm boxes, television aerials, satellite dishes or rooftop 'mansafe' rails shall be fixed or installed on the external face of the buildings.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the Camden Local Plan 2017 and policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 6 A minimum of 76sqm of the flexible commercial floorspace hereby approved shall be provided as Class E(g) floorspace.

Reason: To safeguard the employment function of the site in accordance with policies E1 and E2 of the Camden Local Plan 2017 and policy 12 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 7 All units hereby approved shall be designed and constructed in accordance with Building Regulations Part M4 (1) with units 3A and 3B designed and constructed in accordance with Building Regulations Part M4 (3) adaptable.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy H6 of the Camden Local Plan 2017.

- 8 Prior to the commencement of any works on site, details demonstrating how trees to be retained shall be protected during construction work shall be submitted to and approved by the Council in writing. Such details shall follow guidelines and standards set out in BS5837:2012 "Trees in Relation to Construction" and should include details of appropriate working processes in the vicinity of trees, and details of an auditable system of site monitoring. All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on

existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policies A2 and A3 of the London Borough of Camden Local Plan 2017 and policy 18 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 9 The proposed trellis to the terrace area of unit 2A shall be installed prior to first occupation of this unit and permanently retained and maintained as such.

Reason: In order to prevent unreasonable overlooking of the residential occupants of no.551 Finchley Road, in accordance with the requirements of Policy A1 of the Camden Local Plan 2017.

- 10 Prior to the relevant works, full details in respect of the living roof adjacent to the terrace area of unit 2A indicated on the approved second floor plan shall be submitted to and approved by the local planning authority. The details shall include:

- i. a detailed scheme of maintenance
- ii. sections at a scale of 1:20 with manufacturers details demonstrating the construction and materials used
- iii. full details of planting species and density.

The living roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme.

The living roof shall be accessed for maintenance purposes only and shall not be used as an outside amenity area at any time.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment, and in order to prevent unreasonable overlooking of the residential occupants of no.551 Finchley Road, in accordance with policies CC1, CC2, CC3, D1, A1 and A3 of the London Borough of Camden Local Plan 2017.

- 11 The internal noise levels in the dwellings hereby approved shall not exceed an indoor ambient noise levels in unoccupied rooms of 35dB(A) LAeq,16hour (07:00-23:00 hours) and 30dB(A) LAeq, 8hour (23:00-07:00 hours) and individual noise events shall not normally exceed 45dB L<sub>Amax</sub> during the night (23:00-07:00 hours). Prior to first occupation of the development hereby approved, noise testing and an associated report to demonstrate compliance with the above levels shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the London Borough of Camden Local Plan 2017.

- 12 Prior to commencement of the development, details shall be submitted to and approved in writing by the Council, of the external noise level emitted from plant/ machinery/ equipment and mitigation measures as appropriate. The

measures shall ensure that the external noise level emitted from plant, machinery/ equipment will be lower than the lowest existing background noise level by at least 10dBA, by 15dBA where the source is tonal, as assessed according to BS4142:2014 at the nearest and/or most affected noise sensitive premises, with all machinery operating together at maximum capacity. Approved details shall be implemented prior to occupation of the development and thereafter be permanently retained.

Reason: To safeguard the amenities of neighbouring noise sensitive receptors in accordance with the requirements of policies A1 and A4 of the London Borough of Camden Local Plan 2017.

- 13 Prior to use, machinery, plant or equipment and ducting at the development shall be mounted with proprietary anti-vibration isolators and fan motors shall be vibration isolated from the casing and adequately silenced and maintained as such.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the London Borough of Camden Local Plan 2017.

- 14 The proposed flexible commercial uses at ground and lower ground floor hereby approved shall not be open outside the following hours:

08:00-00:00 Monday to Sunday.

Reason: To ensure that the amenity of occupiers of residential properties in the area is not adversely affected by noise and disturbance in accordance with Policy A1 of the Camden Local Plan 2017.

- 15 The development hereby approved shall achieve a maximum internal water use of 105litres/person/day. The dwellings shall not be occupied until the Building Regulation optional requirement has been complied with.

Reason: To ensure the development contributes to minimising the need for further water infrastructure in an area of water stress in accordance with policies CC1, CC2 and CC3 of the Camden Local Plan 2017.

- 16 Prior to commencement of above ground works (excluding demolition and any site preparation works), drawings and data sheets showing the location, extent and predicted energy generation of photovoltaic cells and associated equipment to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing. The measures shall include the installation of a meter to monitor the energy output from the approved renewable energy systems. A site-specific lifetime maintenance schedule for each system, including safe roof access arrangements, shall be provided. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate on-site renewable energy facilities in accordance with the requirements of policies CC1 and CC2

of the Camden Local Plan 2017.

- 17 Prior to commencement of above ground works (excluding demolition and any site preparation works), details, drawings and data sheets showing the location, Seasonal Performance Factor of at least 2.5 and Be Green stage carbon saving of the air source heat pumps and associated equipment to be installed on the building, shall have been submitted to and approved by the Local Planning Authority in writing. The measures shall include the installation of a metering details including estimated costs to occupants and commitment to monitor performance of the system post construction. A site-specific lifetime maintenance schedule for each system, including safe access arrangements, shall be provided. The equipment shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate on-site renewable energy facilities in accordance with the requirements of policy CC1 of the London Borough of Camden Local Plan 2017.

- 18 Prior to occupation, details of approval from Thames Water for the capacity into the combined sewer and evidence of their agreement to the final drainage design shall be submitted to and approved in writing by the local planning authority.

Reason: To safeguard existing below ground public utility infrastructure and controlled waters in accordance with the requirements of Policy CC3 of the London Borough of Camden Local Plan 2017.

- 19 All non-Road mobile Machinery (any mobile machine, item of transportable industrial equipment, or vehicle - with or without bodywork) of net power between 37kW and 560kW used on the site for the entirety of the [demolition and/construction] phase of the development hereby approved shall be required to meet Stage IIIA of EU Directive 97/68/EC. The site shall be registered on the NRMM register for the [demolition and/construction] phase of the development.

Reason: To safeguard the amenities of the adjoining occupiers, the area generally and contribution of developments to the air quality of the borough in accordance with the requirements of policies G1, A1, CC1 and CC4 of the London Borough of Camden Local Plan 2017.

- 20 Prior to the occupation of the development, the cycle storage areas (including 26 long stay and 2 short stay spaces for the residential units and 4 long stay spaces for the commercial use) shall be provided in their entirety prior to the first occupation of the development, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T1 of the London Borough of Camden Local Plan 2017 and policies 7 and 8 of the Fortune Green and West Hampstead Neighbourhood Plan 2015.

- 21 At least six months prior to completion, details of the location, design and method of waste storage and removal including recycled materials, shall be

submitted to and approved by the local planning authority in writing. The facility as approved shall be provided prior to the first occupation of any of the new units and permanently retained thereafter.

Reason: To ensure that sufficient provision for the storage and collection of waste has been made in accordance with the requirements of policies A1 and CC5 of the Camden Local Plan 2017.

- 22 The non-residential fire escape doors at lower ground floor level shall be alarmed and used only in the event of fire or emergency.

Reason: In order to provide a safe and secure development in accordance with policy C5 of the Camden Local Plan 2017.

- 23 No primary cooking shall occur within the commercial ground floor and basement flexible commercial units until details of the extraction and ventilation plant to be used has been submitted to and approved in writing by the local planning authority. The primary cooking shall not commence until the approved details are implemented and the extraction and ventilation plan shall thereafter be retained for the duration of the use and maintained in accordance with the approved details.

Reason: To safeguard the appearance of the premises and the wider area and to ensure no nuisance or disturbance is caused to the detriment of the amenities of adjoining occupiers or to the area generally in accordance with policy TC4, A1, A4 and D1 of the Camden Local Plan 2017.

- 24 Prior to the occupation of more than 50% of the residential units hereby permitted, or in accordance with an alternative timetable that has first been submitted to and approved in writing by the Local Planning Authority, the ground floor and basement flexible commercial elements of the development shall be fitted out to a standard where toilets and water supply are operational, the décor is neutral, and the units are provided with central heating, air conditioning, perimeter trunking to the floor and operational lighting.

Reason: To ensure satisfactory delivery of commercial floorspace on the site in accordance with policies TC1, TC3, E1 and E2 of the Camden Local Plan 2017.

- 25 Prior to commencement of development on site (excluding site preparation works), full details of the mechanical ventilation including air inlet locations and filters shall be submitted to and approved by the local planning authority in writing. Air inlet locations should be located away from busy roads and other relevant sources of emissions and as close to roof level as possible, to protect internal air quality. The development shall thereafter be constructed and maintained in accordance with the approved details.

Reason: To safeguard the amenities of the prospective occupiers, adjoining premises and the area generally in accordance with the requirements of policies A1 and CC4 of the Camden Local Plan 2017.

- 26 Prior to occupation, evidence that an appropriate NO<sub>2</sub> filtration system on the

mechanical ventilation intake has been installed and a detailed mechanism to secure maintenance of this system should be submitted to the Local Planning Authority and approved in writing.

Reason: To safeguard the amenities of the prospective occupiers, adjoining premises and the area generally in accordance with the requirements of policies A1 and CC4 of the Camden Local Plan 2017.

Informative(s):

- 1 This proposal may be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL. Both CILs are collected by Camden Council after a liable scheme has started, and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement. We issue formal CIL liability notices setting out how much you may have to pay once a liable party has been established. CIL payments will be subject to indexation in line with construction costs index. You can visit our planning website at [www.camden.gov.uk/cil](http://www.camden.gov.uk/cil) for more information, including guidance on your liability, charges, how to pay and who to contact for more advice.
- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the

Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

- 6 This permission is granted without prejudice to the necessity of obtaining consent under the Town and Country Planning (Control of Advertisements) (England) Regulations 2007. Application forms may be obtained from the Council's website, [www.camden.gov.uk/planning](http://www.camden.gov.uk/planning) or the Camden Contact Centre on Tel: 020 7974 4444 or email [env.devcon@camden.gov.uk](mailto:env.devcon@camden.gov.uk).
- 7 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 8 Mitigation measures to control construction-related air quality impacts should be secured within the Construction Management Plan as per the standard CMP Pro-Forma. The applicant will be required to complete the checklist and demonstrate that all mitigation measures relevant to the level of identified risk are being included.
- 9 You are reminded that the TfL highway should not be encroached upon during the works, if it is, a license from TfL will be required. Any temporary or permanent changes to the highways will also require the applicant to enter an agreement with TfL.
- 10 The footway directly adjacent to the site is likely to sustain damage because of the proposed demolition and construction works. As this is TfL owned, you may be required to enter into a Section 278 agreement with TfL with respect to highway repaving works adjacent to the site, if they deem this necessary.
- 11 This permission is granted without prejudice to the necessity of obtaining separate planning permission for any necessary plant and extraction equipment required by the flexible commercial uses hereby approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
