This is an objection to the construction times of the planning application for the Planning Application - 2022/0568/P: Police Station 16 - 24 Whitfield Street London W1T 2RA

I have been unable to upload my objection on the camden planning site.

I will appreciate if this is added to the site.

I live accross the road with my disabled mother from

Whitfield Street is a narrow street and previus building works have caused great noise disturbance.

I am seeking that this construction not be undertaken on Saturdays. I note the application stated 8 to 13hrs on Saturdays.

The noise is a big issue for several residents whom 3 are disabled living across the road from 16 - 24 Whitfield Street.

Please confirm ?

Please confirm you will add this letter to the objections.

Kind regards
