**Subject:** Comments on 2022/2236/P have been received by the council.

The chip shop has been part of the local community for as long I have lived here (18 years) and has been a valued and respected neighbour. There is a shortage of fast food shops within walking distance of Canteloves Road and Agar Grove (and the Maiden Lane Estate) and its removal would have a seriously detrimental impact on the area. This is also not a suitable property for conversion to a residential unit. It is on the junction of two busy roads and next to a pub. There is no space for rubbish bins and the conversion would create a building out of keeping with the locality.

I also believe this planning application goes against the Camden Planning Guidance on Community uses, leisure facilities and pubs (January 2021) document in particular section 1.5 of the document which says "The Council wants to ensure a growing population does not have an unacceptable impact on the provision of these facilities. Existing facilities can also be vulnerable to changes of use and redevelopment due to the high values that can be released from such proposals, in particular from housing schemes. These values are expected to continue to rise"

Conversion of business units into residential units should only take place when there is no viable business use for the premises, this is not the case here. The top end of York Way is slowly changing into a more interesting and lively location. which benefits everyone. Please do not allow this application to pass and worsen the locality for everyone.

Durson, Nalbant

12-8-22.

Dear Amy Ly

I hope all is well with you. I did try to contact by phone several times,

I understand you are busy.

Please find enclosed a petition of 1,122 signatures in support of the Yorkway fish bar. We have

a lot of support from  
Community. It's in every

one's best interest that

we have our lease

renewed. We need to

be able to carry on

with our livelihood now

more than ever. Thank

you for your time

Best regards

Dorson Nalal
