Regarding 57 Camden Road London NW1 9EU

I strongly object to the application. There is enough noise and late night loitering on and around this intersection of Royal College Street and Camden Road at night. Above all this particular triangular corner of RCS and Camden Road is e perpetual eyesore and permanent dumping ground. An additional drinking establishment could only make this even worse in my opinion. (To be fair the converted toilet bar [all of ten yards away] seems reasonably civilised).

Thank you for your consideration.
