2022/2019/P	Steve Parker	18/08/2022 17:20:10	COMMNT	I have been a local resident for 20+ years and am fully behind approving the application and turning a disused railway in to a really positive, outdoor experience. It's exactly the sort of investment the area needs. It will get people active, outdoors and connect the area with kings cross in an environmentally friendly way
