2022/2679/P	C. Green	21/08/2022 03:59:57	OBJ	While this application doesn't directly affect our house on Pilgrims Lane, I would like to reiterate our close neighbours' concerns that mature trees were illegally removed from site and this proposal would replace them with parking spaces. This is contrary to two of Camden's main objectives: sustainability and a reduction in car use. The plans also do not include a green boundary with the immediate neighbour. For this reason the application should be refused, or amended to restore the green space that has been removed.
