2022/2750/P	brian lake	25/08/2022 10:56:06	COMMNT	<p>Two comments from a neighbouring householder:</p> <ol style="list-style-type: none">1. The application has a simple but important error. 'Proposed extensions to the rear of the ground and first floor with the addition of a third storey' clearly implies that there will be works to the rear of the premises. However, the drawings (which are unhelpfully not properly identified) show a Fourth Floor extension to the house. I think this application should be revised and readvertised because of the error.2. The fourth floor extension makes no attempt to harmonise with neighbouring extension; similar earlier-built roof extensions with large front windows have had to put up plastic bushes to maintain privacy. I think this should be looked at again. <p>Brian Lake, 9 Healey Street.</p>
