2022/3084/P	Alison Broomer	20/08/2022 04:19:19	COMMNT	<p>The design is similar to the existing roof extensions at No's 24-32 Elliott Square and those recently approved for No's 10-15 Elliott Square.</p> <ul style="list-style-type: none"> ∩ Having a consistent design approach ensures the architectural quality of the Square is maintained. ∩ The mansard type design is much more sympathetic to the existing buildings and would be less bulky than a straight up extension in line with PDR guidelines. ∩ The proposed design and construction to current standards will improve the energy efficiency of the existing property and reduce its carbon emissions.
2022/3084/P	Melanie	20/08/2022 09:56:43	NOBJ	I am happy that the design is staying consistent in Elliot square like 24-32 and 10-15 Elliott square
