2022/2815/P	Mrs Elizabeth Sassie	29/08/2022 11:43:09	OBJ	Properties 2-14 Willes Road are 2 storey terraced houses whose frontage is intact from alterations and have been deemed to make a positive contribution to the character and appearance of the area which should be maintained. They fall within the boundaries of the Inkerman Conservation Area and the statement adopted by the Council. None of these properties have a roof extension and a similar earlier application was denied. A rear first floor extension to this property was completed in 2017. A 2nd storey addition to the main house due to the bulk and height will result in further loss of light and there will be significant reduced ███ to the rear property and surrounding neighbours. This revised application proposes a further 2nd floor extension to the annex of the house to accommodate the required staircase for access to the roof extension on the main house this will also add to the further loss of light and ███. None of the properties along 2-14 Willes Road have a similar structure.
